THE MARBLE  
THAT BUILDS VALUE

# ARKAPETRA

## THE CHARM OF MARBLE

Slabs and custom stonework in natural stone

### WHO WE ARE

Arkapetra specializes in the supply of fine marbles and natural stone materials.

We work alongside architects, construction companies, and retailers by providing reliable solutions, high-quality materials, and full operational support at every stage.

We select only what we would choose for our own homes—with care, experience, and respect for those who work with us.

### MARBLE SELECTION

A journey through veins, colors, and natural textures.

Each marble is carefully selected to enhance exclusive spaces and ensure long-lasting beauty. From the quarry to the finished project.

### APPLICATIONS

- Kitchen countertops
- Bathrooms and integrated washbasins
- Stairs and steps
- Floors and wall coverings
- Window sills and countertops

### SERVICES

- Custom cutting and personalized finishes
- Tailored projects with dedicated technical support
- Optimized logistics, including for large volumes and international deliveries
- Assistance for design studios, showrooms, and construction companies
